INVESTIGATIVE SUMMARY

LESLIE D. FEINBERG, Also Known As Les SUBVERSIVE MATTER -WORKERS WORLD PARTY

This investigation is based on information which indicates that LESLIE D. FEINBERG, in view of her affiliation with the Buffalo Branch, Workers World Party (WWP) (see Appendix), is engaged in activities which could involve a violation of Title 18, United States Code, 2383 (Rebellion or Insurrection), 2384 (Seditious Conspiracy), 2385 (Advocating Overthrow of the Government); or Title 50, United States Code 781-798 (Internal Security Act of 1950 and the Communist Control Act of 1954).

LESLIE D. FEINBERG was born September 1, 1949, as a white female, place of birth unknown. Current residence and employment are unknown, but FEINBERG is reportedly currently residing in New York City. FEINBERG previously resided at 34 17th Street, Buffalo, New York, and 38 19th Street, Buffalo, New York.

FEINBERG was employed as a guard by Albright-Knox Art Gallery, Elmwood Avenue, Buffalo, from September 1, 1970 until approximately 1972. Previous to this employment, subject was reportedly employed by the Suicide Prevention Bureau, 560 Main Street, Buffalo.

Although FEINBERG was born as a white female, as of January, 1974, she was dressing as a male and had a beard and moustache. FEINBERG reportedly, at some time had undergone a sex change operation and was using hormones to control sex characteristics.

ENCLUSURE 480756-

LESLIE D. FEINBERG, Also Known As Les SUBVERSIVE MATTER -WORKERS WORLD PARTY

As of April, 1974, FEINBERG had apparently shaved off her beard and was beginning to dress in a more feminine fashion and to assume the appearance of a girl.

During June, 1974, subject was overheard to state that the subject hopes to be referred to as she.

The subject was described as a white female, 5'2" tall, 110 pounds, slender build, dark blonde hair, brown eyes. The subject is also known by the nickname of "LES."

The subject has been identified as a member of Buffalo Branch, WWP and of Center for United Labor Action (CULA) (see Appendix). Subject attended 29 meetings of Buffalo Branch, WWP during the period of December 14, 1973 through August 3, 1974, and six meetings of CULA during the period January 12, 1974 through June 27, 1974. Subject reportedly contributes all extra money to WWP and lives as cheaply as possible.

The subject was observed participating in a demonstration against the appearance of Vice President GERALD FORD in Buffalo, New York on May 10, 1974. The demonstration was held near the Statler Hilton Hotel in downtown Buffalo, New York, where Vice President FORD was speaking on that date.

At a meeting of Buffalo Branch, WWP held in Buffalo on February 2, 1974, a speaker discussed the difference between a coup and a counter revolution. He described a counter revolution as a situation where a different group takes over and a coup as when an opposing right wing faction of the same class takes over. He said the time is not right for the capitalist class but the capitalist class must start repressing the working class more and more to retain control of their own gains. This speaker stated that when a military coup does take place, it is the last struggle of the dying class and will cease to exist if the working class is strong enough to take control. The subject was present.

LESLIE D. FEINBERG, Also Known As Les SUBVERSIVE MATTER -WORKERS WORLD PARTY

At a WWP meeting held at 12 East 12th Street, New York, New York, during September, 1974, one of the members stated that "Leslie" from Buffalo was now a permanent member of the New York Branch, WWP.

#### VIETNAM VETERANS AGAINST THE WAR/ WINTER SOLDIER ORGANIZATION

The Vietnam Veterans Against the War, formed in 1967 by Vietnam veterans to protest United States involvement in the war in Southeast Asia (changed name to Vietnam Veterans Against the War/Winter Soldier Organization (VVAW/ WSO) in 1973 to include non-veterans as members), has sponsored numerous anti-government demonstrations, some resulting in violence. The VVAW/WSO National Office (NO) and some key chapters are infiltrated and influenced by the militant Revolutionary Union (RU) organization, and VVAW/WSO leaders have told members that VVAW/WSO is a revolutionary organization, not "just another group of war veterans." The current Marxist-Leninist-Maoist oriented NO, which promotes education of the membership in Marxist-Leninist-Maoist doctrine and directs the organization into political growth along the same lines, has at VVAW/WSO National Steering Committee Meetings (NSCM), in 1974, portrayed VVAW/WSO as a mass anti-imperialist organization and a vanguard of the revolution eventually created by the masses.

VVAW/WSO leaders voted at the December, 1974 NSCM to align VVAW/WSO with the RU, which organization follows a strict Maoist line designed to bring about violent revolution in the United States.

#### WORKERS WORLD PARTY

The Workers World Party (WNP) was founded in 1959 by former members of another Trotskyist-communist organization who disagreed with the policies of that organization. The WWP advocated unconditional support of the Soviet Union and the building of a revolutionary party to overthrow capitalism. The WWP also called for peaceful solutions to Sino-Soviet disputes; however, the WWP now generally supports the Peoples Republic of China in its ideological differences with the Soviet Union. The WVP national headquarters is located in New York City. While the WWP does not openly advocate the violent overthrow of the U. S. Government at this time or violations of other Federal or state laws, the WWP does believe that eventual violent revolution to overthrow the present capitalist system of government in the U. S. is inevitable. The objective of the WVP is to organize a membership to take action to precipitate such a revolution when conditions are ripe and to direct and seize control of the revolution when it occurs.

## WORKERS WORLD PARTY

The Workers World Party (WMP) was founded in 1959 by former members of another Trotskyist-communist organization who disagreed with the policies of that organization. The WWP advocated unconditional support of the Soviet Union and the building of a revolutionary party to overthrow capitalism. The WWP also called for peaceful solutions to Sino-Soviet disputes; however, the WWP now generally supports the Peoples Republic of China in its ideological differences with the Soviet Union. The WWP national headquarters is located in New York City. While the WWP does not openly advocate the violent overthrow of the U.S. Government at this time or violations of other Federal or state laws, 'the WWP does believe that eventual violent revolution to overthrow the present capitalist system of government in the U.S. is inevitable. The objective of the WWP is to organize a membership to take action to precipitate such a revolution when conditions are ripe and to direct and seize control of the revolution when it occurs.
